

Primary PE Sports Grant 2015/16

Impact Report

St John the Baptist Catholic Primary School Dartmouth

This report outlines the impact of the Primary PE sports grant. The impact can be seen as increased pupil participation in sport and sporting activities, increased awareness of a healthy lifestyle and well-being, increased opportunities to participate in primary sport as well as opportunities to try new sports, increased participation in intra-school sports and competitions with other schools and a wide and varied PE curriculum supported by experienced and trained teachers.

Actions/Activities/Resources	Cost	Impact
Providing Professional Coaches for after school and lunch time clubs	£2716	Children exposed to a variety of sports and physical activities and able to participate in an increasing number of clubs. Children taking part in physical activity as well as recognising the importance of a healthy, balanced diet. Links made with local clubs so provision is continued outside of school.
Purchasing of Equipment and storage	£2915	PE lessons now well-resourced ensuring good quality PE lessons to take place. New Storage shed built to house equipment, with damaged goods being replaced.
Tournaments/Competitions	£380	An increased number of pupils able to take part in tournaments with other schools. Success in tournaments due to expert coaching.

Administration	£500	PE co-ordinator being released from classroom in order to monitor PE lessons throughout the school and provide feedback to staff.

*Denotes provided by outside coaches

The PE and Sports Premium is a legacy from the 2012 Olympics and is a grant currently given to all primary schools to be used specifically to improve the quality of PE and sport activities offered to pupils.

For the current academic year (2014-15) the allocation to St Johns is £8400 (£8000 + £5 per pupil).

Planned expenditure is as follows:

Objective	Item/project	Cost
High quality teaching and coaching from professional coaches to	Torquay Utd football club to provide training	£1000

impact on pupil learning and participation	Dance teacher to provide dance instruction in all classes	
To ensure high quality PE teaching by school staff	Babcock LDP bespoke service to promote Excellence in PE and relevant staff training (6 sessions)	£2500
To offer a varied extra-curricular activities programme	Local club (sailing?) to provide after- school club (summer term)	£750
To enable high quality PE and sport across the school	Purchase of new equipment	£1500
To enable staff to teach high quality lessons	Staff to attend training courses, eg NQT - Leap into Life	£1000
To facilitate opportunities for pupils to participate competitively in competitions and festivals	To provide transport for pupils to attend LLC competitions	£1000
PE leader kept up to date with current strategies and assessment	PE briefings for PE leader	£500

Last year's spending:

Objective	Item/project	Cost
To provide traditional and alternative sports and CPD for staff, eg urban polo	Go Active coaching PE lessons: delivered 2 terms of weekly sports, including 1 term of specialist dance teaching	£2700
To provide gifted and talented lunch time club	Go Active sports coaching	£900
To provide alternative sports after school (street surfing)	Go Active sports coaching	£1620
High quality football coaching	Torquay Utd football coaching	£300
To provide 3 weekly courses on healthy lifestyles	Torquay Utd football club	£225
Entry to local community competitions	Dartmouth Learning Community	£100
To audit and update PE resources	Purchase of equipment, updating old equipment	£900

P E Action Plan Review

Impact on pupils learning & progress

Children have high quality PE lessons taught by the teachers. Go Active company providing good lessons, especially in respect of dance, for KS2 but KS1 lessons have been difficult resulting in them teaching an adaptation of the 'Leap into Life' programme.

Leap into Life programme taught daily in Class R (Rec/Year 1).

P E Programme taught by teachers in Class 2 and 3 using the PEDPASS assessment forms.

KS2 taught traditional and alternative sports by Go Active Coaching.

A Gifted and Talented lunch time club set up to progress further learning in sport .

Quality of teaching and coaching

A wide variety of after schools clubs provided- street surfing, yoga, football, multi skills, tennis- with an increased attendance on previous year where appropriate.

PE Order pending to update existing equipment and buying new equipment to support new sports introduced.

Impact on pupils behaviour

All pupil groups included and attending PE lessons and extra-curricular activities giving all opportunities to be involved with sport.

Football league participation within the Dartmouth Learning Community and other competitions attended, promoting fair play and respect.

Participation Levels

Increased levels of attendance.

Pupils develop Healthy Lifestyles

Through participation of PE lessons and after school sports clubs children are choosing a healthy lifestyle. Torquay United to deliver a three week healthy lifestyles course and school to provide 'Change for Life' club in the summer term.

Leadership and Management

P E Co-ordinator taken whole staff meeting to advise of OFSTED criteria and PE learning and outcomes expected at each key stage.

Assessment of PE lessons monitored.
